A Brief Guide to RIPE Meetings

Why are we here?

- The RIPE community is meeting in Prague
 - Network operators in Europe, Middle East and Central Asia
 - Sharing expertise, technical coordination, networking
 - IP addresses, routing, security, open source, and more
- **A great way to plan your career**
 - **We need you to help shape the future of the Internet**

WHAT IS RIPE?
(RÉSEAUX IP EUROPÉENS)

A Network of Networks

A Network of Networks

Welcome to the RIPE community!

- RIPE is open to everyone
- Everyone is welcome
- Easy to start participating in
- You can influence the future of the Internet
- Defend the open Internet

Housekeeping

- **Mute**
Please keep yourself on mute when not speaking

- **Raise Your Hand**
Feel free to ask questions by raising your hand

- **Use the Chat**
Use the chat to introduce yourself, add comments or ask a question

Connecting people and networks since 1989
