# 10 Years of the RIPE NCC Academy

---

RIPE 89

A long time ago in a training room far,  
far away...

# The RIPE NCC Service Region

## A Learning Platform where we could have:

- An easy way to create of rich learning content
- Activities and quizzes
- Learner progress
- Hosted ourselves - lower costs
- SSO integration
- Custom activities such as RIPE Database practical exercises

# The RIPE NCC Academy Was Born!

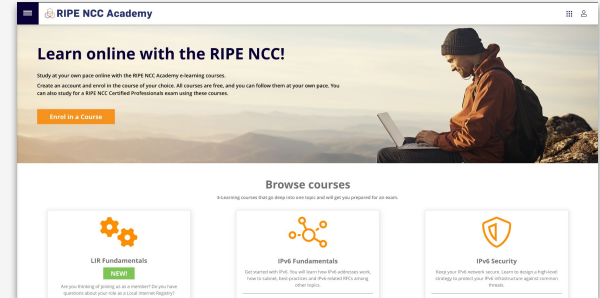

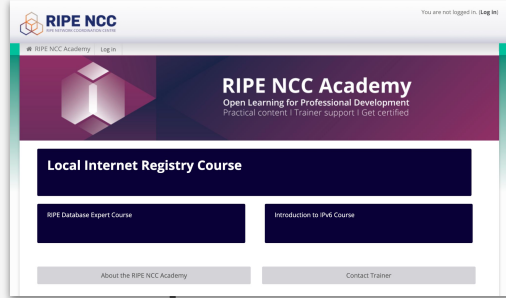

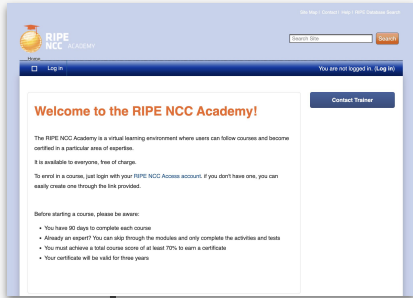

**RIPE  
NCC** ACADEMY

- Open source
- Highly **customisable** - plugin driven development
- Active community
- Hosted by the RIPE NCC

# Central Role in Training and Certification

 **RIPE NCC Academy**

## Learn online with the RIPE NCC!

Study at your own pace online with the RIPE NCC Academy e-learning courses.

Create an account and enrol in the course of your choice. All courses are free, and you can follow them at your own pace. You can also study for a RIPE NCC Certified Professionals exam using these courses.

[Enrol in a Course](#)

## Browse courses

E-Learning courses that go deep into one topic and will get you prepared for an exam.

**LIR Fundamentals**

**NEW!**

Are you thinking of joining us as a member? Do you have questions about your role as a Local Internet Registry?

**IPv6 Fundamentals**

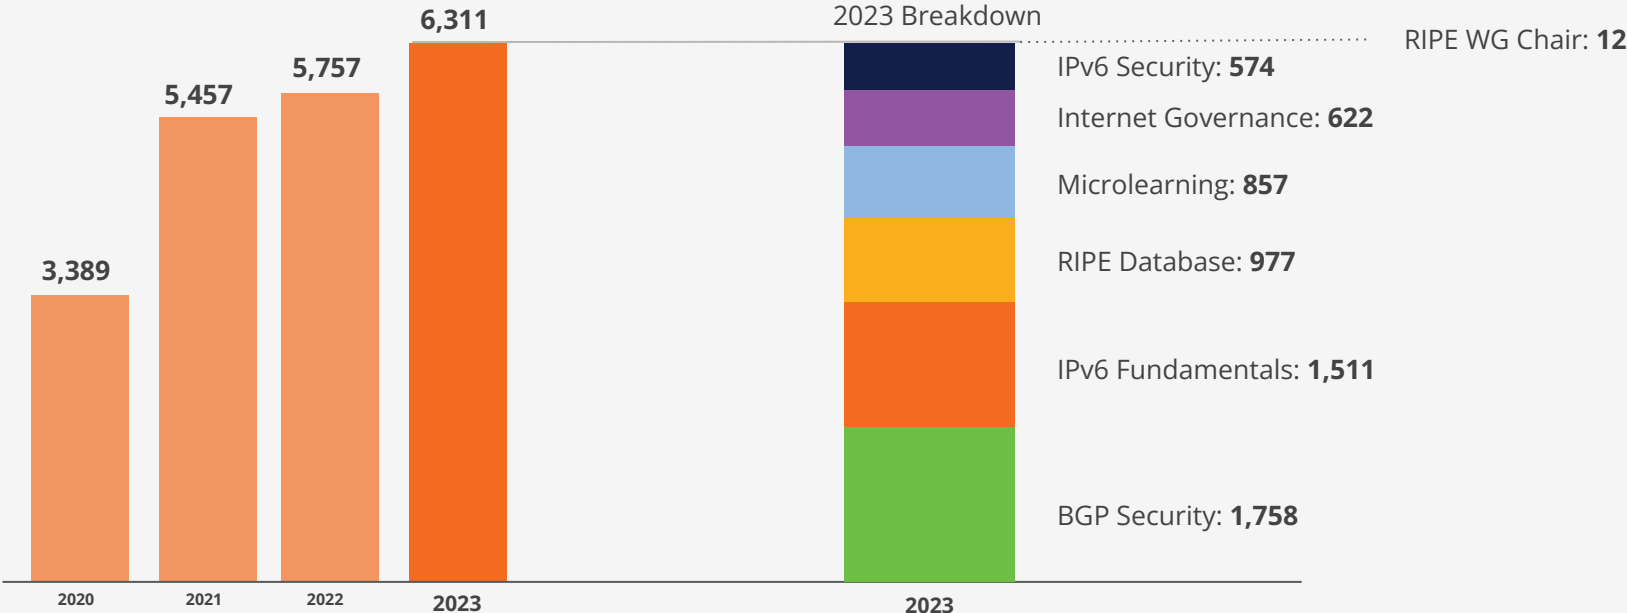

Get started with IPv6. You will learn how IPv6 addresses work, how to subnet, best-practices and IPv6-related RFCs among other topics.

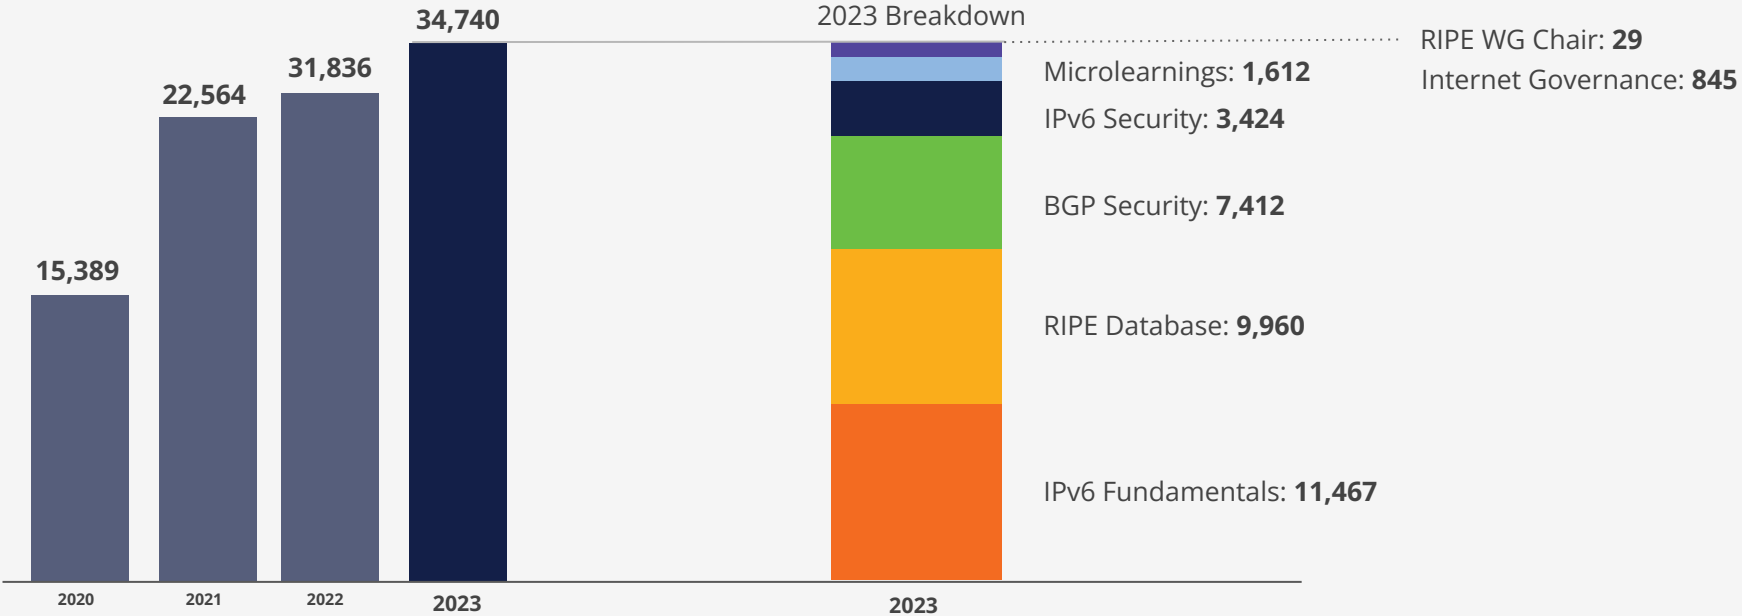

**IPv6 Security**

Keep your IPv6 network secure. Learn to design a high-level strategy to protect your IPv6 infrastructure against common threats.
