NRO NC ELECTION

VOTING INSTRUCTIONS

Ulka Athale | RIPE NCC | 28 October 2024

NRO NC Election

October 2024

- We send three representatives to the Number Resource Organisation Number Council (NRO NC), which serves as the Address Supporting Organisation Address Council (ASO AC) at ICANN

- Two are elected, one is appointed by the RIPE NCC Executive Board

- This election is to fill one seat for a three-year term starting in January 2025 and ending in December 2027

- Sander Steffann stepped down from his seat earlier this year, ahead of the RIPE NCC Executive Board election. Thank you Sander!

- The other members are Hervé Clément and Constanze Bürger

Jordi Palet-Martínez

Andrei Robachevsky

Not eligible to vote?

Here's what happens

You will receive an email from the NRO NC election team informing you that you are **not eligible**.

If you think this is a mistake, and that you are eligible to vote, you can **ask for a review** using the form. The link to the form is in the email.

The Review team will send you its decision.

Review request deadline:
Wednesday, 30 October at 14:00 UTC+1

nominations@ripe.net   11:44 (5 hours ago)
to me

Dear Ulka Athale,

While registering for RIPE 89, you also selected the option to register to vote in the NRO NC election taking place during the meeting.

 In order to be eligible to vote, you must have attended at least one of the previous eight RIPE Meetings. We could not find a record of your having attended RIPE Meetings from RIPE 81 to RIPE 88, and therefore you are ineligible to vote in the upcoming election.

In case you believe that you are eligible to vote, you can request a review using the form below:

Please note that review requests must be submitted latest by 14:00 UTC+1 on Wednesday, 30 October 2024. Thank you for your interest in the NRO NC election. Our next NRO NC election is scheduled to take place during RIPE 91, and we hope that you will participate.

If you have any questions, please contact nominations@ripe.net.

Kind regards,
The NRO NC Election Team
The RIPE NCC

VOTING INSTRUCTIONS

How to Vote

You will receive two emails from Assembly Voting

One email contains your unique voting link to the voting platform with a pre-filled code (Voting Code 1)

The other email contains your one-time pin code to access the voting platform (Voting Code 2)

You need both codes to access the system

Select the candidate of your choice and submit your vote!

Abstentions are noted but do not count towards the result.

Voting Link Email

You will receive two emails from Assembly Voting

Click on **Vote Now**

Each link is personalised

Voting Code 1 is pre-filled

If you're using Safari, you might need to copy and paste Voting Code 1

Voting Pincode Email

You will receive two emails from Assembly Voting

The other email contains your one-time pincode to access the platform

Each code is unique

Copy your pincode from the email

RIPE NCC — NRO NC Election October 2024

Dear Ulka Athale,

This email contains your one-time pincode (Voting Code 2). You will need to enter this code to access the NRO NC election platform. Please do not share this code.

Your one-time pincode is:

26

You should have received the link to the voting platform in a separate email sent by Assembly Voting.

If you have any difficulties accessing the voting platform, please contact us at nominations@ripe.net.

Kind regards,

The RIPE NCC

# Accessing the Voting Platform

Get ready to vote

Voting Code 1 is pre-filled (unless you're using Safari or have a password manager that insists on auto-filling this field)

Paste your NRO NC Voting Pincode (Voting Code 2)

Go to the ballot to vote!

Vote for the candidate of your choice

There are two candidates

Select the candidate of your choice

Or you can abstain

Abstentions do not count towards the results

The candidate with the most votes will be elected!

Click on continue

Submit your vote!

Verify your vote

You can verify that your vote has been cast accurately after you submit it

Receipt

Your vote has been registered. Thank you for your participation.
