Join DNS Hackathon!

- In Stockholm, Sweden; 15-16 March 2025
 - (weekend before NETNOD meeting)
- Co-hosted by: Netnod, DNS-OARC, RIPE NCC
- <https://labs.ripe.net/author/becha/join-the-dns-hackathon-2025/>

Many Hands, Shared Work

Programme Committee

- Arife Vural-Butcher, Tribal Systems
- Lars-Johan Liman, NETNOD
- Samaneh Tajalizadehkhoob, ICANN
- Kristian Ørmen, Swedish Internet Foundation

Organising Committee

- Johanna Eriksson, Netnod
- Denesh Bhabuta, DNS-OARC
- Vesna Manojlovic, RIPE NCC

Continuity

- Previously: DNS Measurements 2017; DNS Hackathon 2023
- Paradox: Most hackathon work is done outside hackathons!
- In the meantime you can:
 - subscribe to the mailing list: hackathon-list@ripe.net
 - contribute further code improvements on GitHub
 - keep informed on RIPE Labs: labs.ripe.net/hackathons
- Next: all IETF hackathons, 3 times/year!
- Invite us to do the follow up hackathon together!
